

June 19, 2002

To Whom It May Concern:

The Johnstown Centennial Committee would like to take this opportunity to recommend Larry Darrington and Angel Light Pyrotechnics to you.

Darrington and his crew at Angel Light Pyrotechnics were hired by the Centennial Committee to create a fireworks show for June 1, 2002 as a finale to the Saturday events of the Centennial Barbecue Daze celebration, honoring the 100th birthday of Johnstown. They did a wonderful, professional job with planning and implementing the show, which was BEAUTIFUL! The show was held at our local high school. There was a large crowd at the school, but we also saw, and heard from, people who enjoyed the show from the neighboring town of Milliken, who stopped by the side of the road, who saw it from the interstate highway nearby, as well as those who sat on their rooftops in town.

Darrington did an excellent job of walking our committee through the steps before the show. He coordinated the permit, insurance and site considerations. He also created a beautiful, impressive fireworks show with a mixture of larger and smaller fireworks creating a varied-height show that was unique and oohh-aahh-inspiring. The cost of all of this was "a lot of bang for the buck," an impressive show for a reasonable price. His hardworking crew also did an excellent job with the show and with site clean-up afterward.

Angel Light Pyrotechnics is highly recommended by this committee.

Sincerely,

A handwritten signature in cursive script that reads "Ardis Briggs".

Ardis Briggs
Co-Chair, Johnstown Centennial Committee
President, Johnstown Historical Society
